

Physical Education

The goals of High School District 211's physical education program are to:

1. Develop physically educated students;
2. Assist students in the development of appropriate social and behavioral skills;
3. Provide students with skill instruction in sport and life-long activities.

At the freshman level, three required units of instruction are offered: fitness, swimming, and group dynamics. Additional units that are offered based upon student abilities, interest, and facilities are: volleyball, gymnastics, track, wrestling, dance, basketball, softball, soccer, badminton, pickleball, and weight training.

At the sophomore level, three required units of instruction are offered: swimming, fitness, and volleyball. Additional units of instruction are: gymnastics, basketball, soccer, tennis, badminton, dance, flag football, and team handball.

At the junior and senior levels, students have a choice from several courses. Students may select from the following full-year courses: Strength and Conditioning, Aerobics, Dance, or Adventure Education. Activity classes also may be chosen from a list of 28 approved activities. These activities include, but are not limited to: water games, fitness, volleyball, basketball, team handball, tennis, flag football, badminton, soccer, softball, and adventure education.
