

April 2017

Dear Parents:

As part of High School District 211's Freshmen Orientation Program, students in the Class of 2021 and their parents will have an opportunity to meet with a member of our guidance department during the coming summer at Conant. The summer orientation program includes a group presentation and a tour of the building. Sessions are designed to provide students and families with a better understanding of curriculum, counseling services, four year educational plans, school procedures and policies, activities, and other relevant topics. Reference materials will also be distributed. Because we have found previous summer sessions to be very helpful to parents and students, we highly recommend that you attend one of our group presentations.

This summer, orientation sessions will be offered beginning Monday, June 12th through Friday, July 21st. Approximately 15 sessions are scheduled with morning (9:00-10:30), afternoon (1:00-2:30) and evening (6:00-7:30) time slots available. Please call the student services office at Conant at (847) 755-3631 to reserve seats in one of the sessions. We look forward to your participation in this program.

SAVE THE DATE! Join the Cougar PRIDE mentors for a Freshman Kick-Off BBQ on Tuesday, August 8th from 11:30am – 12:30pm. Following the BBQ, incoming freshmen who are fully registered are able to pick up their school issued iPad, access their class schedule and tour the building. More details to follow. This is a great way to kick-off the CHS experience. We can't wait to see you there!

SUMMER SCHOOL REGISTRATION REMINDER

Freshmen students may not register for non-credit summer athletic camps until the school nurse approves their physical. The physical examination must have been completed within the previous 13 months.

Sincerely,

Brigit Cain
Director of Student Services
